Winter Development Plans at Kellys Golf Centre

Winter Development Plans are an ever growing demand from club golfers as they focus and refine parts of their game in preparation for next season during the winter months. For golfers who aren't happy with their game, or perhaps their handicap didn't drop during the peak of the season, these plans are guaranteed to provide a structured and focused practice plan to help improve all areas of your game.

As with anything, it is the practice and commitment that is equally as important as the lessons. In this respect, Kellys Golf Centre, The Avenue, Milltown Street, Burren, have all the facilities you need to keep practising throughout the Winter months. Under the guidance of Resident PGA Professional Coach, Dougie Bell, they offer a very comprehensive Winter Development Plan consisting of 6 x 1 hour coaching sessions for the price of £200. The Plan includes an in depth assessment programme, goal setting exercises, session analysis including film and Trackman reports, personally tailored practice plans and on course lessons.

Dougie Bell, Resident PGA Professional Coach at Kellys Golf Centre, will keep you working on your game this Winter.

Needless to say, it is sometimes hard to know what to get people as gifts for Christmas. For those keen golfers in your life, a Gift Voucher for golf lessons at Kellys Golf Centre would undoubtedly be appreciated.

Kellys Golf Centre will be open throughout the winter and with a sheltered 16 bay driving range, short game area and a 9 hole pitch and putt course, there is something for everyone in a golf centre that is tailored for all your golfing needs. To keep up to date with what is going on at Kellys Golf Centre, you can check them out on Facebook and Twitter, or telephone 028 4177 3247.

THE JUICE DETOX WORKS! – A CUSTOMER TESTIMONY

"Just wanted to say a big thanks to the team at Mood Food. I went in to see what juices and food they did and signed up to the 5 Day Detox. I lost 11 pounds on the detox and a further 6 in the following weeks. I would recommend it to anyone as I felt great both doing it and in the following weeks. The staff are very encouraging and make amazing concoctions, so if you want to shift a few pounds or more it's a great and enjoyable way to do so. Many thanks again to everyone in Mood Food." *Anne from Newry*

Juice PLUS YOUR LIFE!

Caroline McNeill
Juice Plus+ Distributor
Newry

WHAT IS JUICE PLUS+? It's raw organic fruit, vegetable and berry capsules, which I have been taking for more than 2 years now to boost my energy, immunity, hair, skin and nails and more importantly to remove inflammation from my body for prevention of disease by antioxidants that are jam-packed in this product.

The ingredients for Juice Plus+ are specifically grown under perfect conditions and monitored to keep them fully organic, they are then juiced with the salt, sugar and water removed in their raw state and then dried into powder and encapsulated – giving you 17-26 raw fruit, veg and berry types into you daily!

It's a great way to get at least your 10 a day conveniently and chemical free and even better it's free for kids with an adult. My entire family are on it 2 years now and will be eternally. **JUICE PLUS+ COMPLETE** is a natural protein shake/bar which can be used as an on the go meal for pre or post exercise or just as a nutritious natural drink for kids. Like the capsules the entire range is fully organic with no artificial additives.

This can also be used for weight loss as a meal replacement alongside a healthy eating plan all available online for support to help where instead of a weekly club fee you get a product to assist you to maintain your ideal weight and goals!

TESTIMONIALS:

My mother who is 80 years old, suffers from terrible arthritis and gout and is very restricted with the medication she can use because of a health problem she had. She started using your Rub last year and she thinks it is absolutely wonderful. Everyone that comes to visit gets to hear about "The Rub" including her doctor and consultants. Thank you so much.

- Anne, Monaghan

I recently suffered acute sciatica, I had been on anti-inflammatory medication with no result. My friend gave me a bottle of "The Rub" and after a few days using it three to four times daily my pain is gone. I also use it for stiff joints and find it fantastic.

- Brid, Ballinasloe

Hi Dorrie, my husband was diagnosed with Rheumatoid Arthritis and had to come off the medication due to a reaction. He has been using "The Rub" and is delighted with the result. His pain has almost completely gone and it is very easy to apply with no side effects. It's a fantastic natural product and he is delighted to have found something that helps his condition.
